FLUENT TIP

Keep your Loan Officer and Realtor connected throughout the process. Great communication helps prevent surprises later.

Do's & Don'ts

Know what to do, what to avoid, and how to stay on track while shopping for your new home.

Do

- ✓ Keep your finances consistent.
- ✓ Pay all bills on time.
- ✓ Keep your documents handy.
- ✓ Ask before making financial changes.
- ✓ Stay in communication with your Loan Officer.
- ✓ Continue using your accounts normally.
- ✓ Provide requested documents promptly.
- ✓ Be upfront about income, assets, and debts.

Don't

- ✗ Do not open new credit cards or loans.
- ✗ Do not finance a new vehicle.
- ✗ Do not change jobs without speaking with us first.
- ✗ Do not make large unexplained deposits.
- ✗ Do not move large sums between accounts unnecessarily.
- ✗ Do not co-sign for anyone.
- ✗ Do not run up credit card balances.
- ✗ Do not make major purchases before closing.

Calculating Your Homebuying Budget

Key Budget Factors

PLAN | PREPARE | BUY WITH CONFIDENCE

Down Payment

Down payments can start as low as 3.5%–5%, depending on the loan. A larger down payment may lower your monthly payment and could reduce or eliminate mortgage insurance.

Closing Costs

Closing costs typically range from 2%–5% of the loan amount and cover processing and settlement fees. They're usually paid at closing, though some may be included in the financing depending on the loan.

Ability to Qualify

Lenders review your income, assets, credit, and monthly debts to determine how much home you can comfortably afford.

Understanding Your Monthly Payment

KNOW THE NUMBERS | SHOP SMARTER

Lenders often review two key ratios when determining how much you can afford: your housing payment ratio and your total debt ratio.

PITI = Principal, Interest, Taxes, and Insurance.
Your monthly mortgage payment to the lender includes all four of these items.

In general, your housing expenses (PITI) are often targeted around 25% – 28% of your gross monthly income. Your total monthly obligations, including all debts (such as car loans, student loans, credit cards, etc.), may range around 33% – 38% of your gross monthly income, depending on the loan program and lender guidelines.

What Lenders Review

INCOME | CREDIT | ASSETS | A STRONGER TOMORROW

Income

History of employment, stability of income, future earning potential, and additional qualifying income such as bonuses, commissions, or support income when allowed.

Credit Report

Repayment history, outstanding debts, and total available credit. If you have concerns about your credit report, consider reviewing it and addressing any issues early.

Assets

Cash on hand and liquid assets such as checking, savings, CDs, and stocks. The property you're buying must also be appraised to confirm it has adequate value and is marketable to secure the loan.

BUYER TIP

Your Loan Officer can help you understand your budget before you start shopping, so you can focus on homes that fit your goals.

Your Almost Home

What happens before closing day

1.

Final Loan Review

Your mortgage team completes the final review and clears any remaining conditions.

2.

Closing Disclosure

You will receive your Closing Disclosure showing the final terms and costs of your mortgage.

3.

Final Walkthrough

You will typically complete a final walkthrough of the property with your Realtor.

4.

Funds for Closing

Your closing team will provide instructions regarding any funds required for closing

5.

Closing Day

Sign your final documents, complete the transaction, and get the keys to your new home.
